

FREE OSHA 10-hour Maritime Training

All classes below are online with a live instructor in real time
Nova Southeastern University's Institute for Disaster and
Emergency Preparedness is offering
**FREE OSHA 10-hour Maritime Training for
Shipyards Employment**

Training Dates:

- May 26th and May 27th, 2021 9am-3pm Eastern Time (both days are mandatory)
- June 23rd and June 24th, 2021 9am-3pm Eastern Time (both days are mandatory)
- July 28th and July 29th, 2021 9am-3pm Eastern Time (both days are mandatory)
- August 25th and August 26th 9am-3pm Eastern Time (both days are mandatory)

This training program is intended to provide entry-level safety and health hazard information tailored specifically to marine shipyard employees.

- Provides for employees, supervisors and managers, the skills to recognize, avoid, control, abate and prevent injuries and accidents in the maritime environment.
- Informs workers about their rights and their employer's responsibilities and explain how to file a complaint with OSHA.
- Educates workers on a variety of safety topics which workers may encounter at a maritime site.

Topics

- 1915 Subpart A (General Provisions) and 1915 Subpart F (General Working Conditions).
- Walking and Working Surfaces, Including Fall Protection.
- Personal Protective Equipment (PPE)
- Electrical and "LockOut/Tag Out".
- 1915 Subpart P (Fire Protection) and 1915 Subpart B (Confined Space).
- Hot Work and Hazard Communications.
